Red and black cherries, red plum, and cedar. Medium-bodied, with smooth tannins and balanced acidity.

Winemaker's Notes

Clusters de-stemmed into small open-top bins. Whole berry, wild yeast and malolactic fermentation. Twice daily punch downs. Fermentation finished and aged in Flex tank. No acidulation or other "corrections". Bottled unfiltered on 7/22/2017.

Every bottle and can of wine we produce, before it is ever sold, is climate neutral.

Every monthly purchase of one bottle or four-pack of cans has the same positive impact on our climate as a mature tree.
