

**Appellation:** San Diego County (Dulzura, CA)  
**Vineyard(s):** Valentina Vineyard (Non-certified Organic, Zero Herbicides)  
**Varieties:** 73% Sangiovese, 27% Grenache  
**Alcohol:** 11.2%  
**Production:** 32 cases

**Tasting Notes**

Red plum, violets, tart cherries, and red apple peel. Medium acidity and body. [Video](#).

**Winemaker's Notes**

Grenache harvested August 25, 2020. Gentle, slow, whole-cluster press as for Champagne, taking only the taille portion to stainless tank. Sangiovese harvested August 26, 2020. Foot-stomped and rested for three hours until pressing as with the Grenache. All spontaneous fermentations. Months after fermentations complete, wine racked, chilled, and sulfited in December, 2020. Bottled February 21, 2021.

**Nota Bene**

A sibling to the sparkling Firefly (same harvest, different press cut and vinting). The wine is named after Charlie, though that's not a picture of her on the label.

"By any other name"
